Freshwater Theatre Drama

Year 3 and Year 4 had a lovely visit from Freshwater Theatre Drama where they were able to explore the world and recreate tsunamis, earthquakes and volcanoes. The children really enjoyed this hands-on practical experience, sharing what they already know and building on this through drama.

Working with specialists

This year we have several specialist teachers working with classes to enhance their learning and support the delivery of our fabulous new curriculum. Miss Whincup is a dance teacher working at Trinity Academy Halifax, and she is joining us on Thursday mornings. We have a sports coach working with Y5 and Y6 children for PE on Tuesday afternoons. From Monday, we will be joined by Miss Henshall for two mornings a week. Miss Henshall is a Maths Specialist with Trinity MAT's White Rose Maths and the West Yorkshire Maths Hub.

A busy day in Y4. This morning we had a special visitor in school. We had an exciting drama workshop where we travelled around the world. We pretended to be volcanoes, earthquakes and tsunamis to understand how they work. 🌋🌊🌪️
