### Start of the School Day

Thank you for your support in helping children line up at the pencils in the playground at the start of the school day. This has proved very successful in relieving congestion at the door and so enabling a safe and orderly entrance to the school for the children to build their independence and get cracking on their busy learning day. We have now added Year 1 and 2 to this. Teachers come to the lines to collect their children and Mrs Dobson will be there with her notepad as usual if there are any issues or messages that need to be passed on or if your child needs some support. Please note that Reception children should continue to be taken to their door.

### Behaviour for Learning

Many children have shared with pride Achievement Points they have been awarded this week. The children have responded so well to the new Behaviour for Learning system and they really appreciate recognition and reward for always following the Absolutes throughout the day. Points are totalled after school on Friday, once the children have completed their week, and then shared with the children to put in their homework diary on Mondays.
