Walking to School

Next week we are promoting the benefits of walking (or cycling or scootering!) to school – for children's health and for the environment. We shall hear all about this in Assembly on Monday. Each day, Year 6 children are surveying the each class and there will be extra playtime for the class with the most walkers – the winners will be announced in Celebration Assembly.

World Space Week

To celebrate World Space Week, every pupil will be ordered a space themed lunch, free of charge.

Daily Mile

Children from Y1 to Y6 are taking part in the Daily Mile some afternoons each week. The Daily Mile is a national (and international!) movement which is supporting children to be fit and healthy all around the country. As the organisation's website (<https://thedailymile.co.uk/>) states, 'The Daily Mile is simple and free and gets children out of the classroom for fifteen minutes every day to run or jog, at their own pace, with their classmates, making them fitter, healthier, and more able to concentrate in the classroom.' St Chad's children are really rising to the challenge with many children now being able to run the full mile (12 and a half times round the playground) in the fifteen minutes. Go St Chad's!

Behaviour for Learning

Achievement and Behaviour Point totals from the previous week are entered in your child's Reading Record or Homework Diary each Monday. Please sign each week to show that you have seen your child's achievements. Our new planners are at the printers and will be issued to the children as soon as they arrive.

Y4 have been thinking about online safety. We talked about what a 'spam' email is and received some on our own school emails. We had to decide whether or not they were real emails or 'spam'. Luckily, we were very good at spotting the fake emails! Good work Y4! 📧
