Welcome back!

Hello everyone and a belated but formal happy new year to our school community. We are already hurtling through January and it has been a very exciting start to 2020 in school. Please don't forget next week we have our 'My Child's Learning' meetings taking place in school where we will celebrate learning from last term and look ahead to the next term's learning.

Young Voices

On Tuesday this week, the school choir went to the Young Voices concert at the Sheffield Arena. The choir performed and behaved superbly and can now claim stardom after singing with Mr Tony Hadley! Well done to all of the choir members and thank you to the parents and carers who came along to support us. We hope you enjoyed it as much as we did!

Year 6 Think Explore Discover workshop

Next week, Year 6 will be taking part in our first Think, Explore, Discover parent workshop. This will be a Design Technology workshop, where parents and carers will work alongside their child to produce a working model. Each class will be taking part in these workshops throughout the school year and these will involve some art and craft activities based on the Think, Explore, Discover topic for the half term.

Y4 Viking day

On Thursday, Y4 took part in a Viking experience day to kick-start their new Think Explore Discover topic. The children were able to experience Viking artefacts first hand and find out information about how the Vikings lived from a Viking expert. The children were fascinated to learn about Viking life and asked lots of interesting questions to further their knowledge. The day involved a range of activities including making their own Viking oil lamps, which they will be able to bring home soon.

Tweets of the Week

How fabulous were the St Chad's children at @YVconcerts last night!

Look at these watercolours of the heath from the witches scene in Macbeth: they really capture the eerie atmosphere.
