My Child's Learning

Thank you so much to all those who attended the My Child's Learning Meetings this week. The changes we made to make them more interactive and informative with the added opportunity to see your child's workbooks and experience a 'mini-lesson' seemed to go down well! 100% of you found the meeting really worthwhile. Thank you for your feedback which will support us to make these meetings as helpful as possible.

St Chad's Daily Worship

Our distinctive Christian ethos means that the daily worship is a very special part of the children's day where St Chad's joins together to reflect on our values, share our joy in the world and worship God. Our Worship Crew of 8 Y4, Y5 and Y6 children have made some changes to make this time even more special. To symbolise that Worship is a different, calm and reflective part of the day, each class now brings a lit candle to the hall and the Worship Crew lead the children with some special words to open and close our Worship. Thank you to Reverend Kathryn for helping the Worship Crew with these changes.

School Gardening Club: Appeal for volunteers

Did you know that spending time in nature not only improves a child's wellbeing, but also leads to increased confidence and better relationships with both teachers and peers? These are just some of the many reasons that St Chad's is looking to re-establish its school garden, by setting up a weekly, after-school Gardening Club. In order to do this, we are hoping to create a rota of willing volunteers who will help us run this club and inspire our children to get growing.

If you, or a family member, may be interested in helping us with our proposed Gardening Club, please e-mail Sara at:

Thank you.

Year 6 Design Technology Model

We would just like to say a huge thank you to everyone who attended the Y6 TED workshop yesterday. The event was a huge success. Please ensure that if you wish to purchase your child's model this is done by the end of the school day on Monday 20th January. The charge is £5 and the option will no longer be available after this date.

Lost Trainers and PE Kit

One of our Y3 pupils has lost his brand new trainers and PE kit. The ADIDAS trainers are red and blue and the PE kit is new, all the items are named and are in a blue drawstring PE bag.

If anyone finds these items, please bring them to the school office.
