Sport Relief Friday 13 March

To celebrate 'Sport Relief', we would like to invite the children to come to school in sports themed clothing on Friday 13th March in return for a donation of £1 to Sport Relief. The donation is to be made on My Child At School in the Products section.

Forget Me Not Around The World Friday 13 March

We are working with
Forget Me Not

Hospice to support their 'Around The World' challenge. To celebrate, we will be walking a mile during the school day around the local area of Hove Edge. This week, each child will be given a sponsor form to raise money for the Forget Me Not Hospice and these will need to be returned to school on Friday 13th March. Please see below for more information from the Forget Me Not Hospice:

My Child At School (new communication system)

The new system is now up and running and we can see that many of you have already successfully logged on. For those who have not yet logged on please do so as soon as you can. We have found it works better if the first time you log on and redeem your invitation code you use a computer / laptop rather than smartphone or other device.

Breakfast and After School Clubs should continue to be paid via School Money for now, we are hoping to switch this to the new system soon. Please make any payments as soon as possible. The office will be chasing payments to help the smooth transition to the new system.

Dinner Money and Future Trips will be payable via My Child At School.

Donations eg. Sport Relief will be via My Child At School and can be found in the Products section. If you are having difficulty with the system, contact the office by phone or e-mail, admin@stchads.trinitymat.org

Y1 have really enjoyed our TED workshop afternoon. Y1 have made some amazing castles and they also identified what features were on them. Thank you for all your support and help!

It's all Greek to Year 5! The children have written character descriptions of Greek gods Hephaestus and Aphrodite this week - taking notes first and then summarising. Great work Y5!

St Chads @StChadderbox · 14h

This week Y1 have been identifying where plants live and how some plants are adapted to live in hot climates. Next week we are going to be learning about the different parts of a plant!

Y4 have started to explore 'area' this week in maths. Today in PE, we worked together to represent deforestation through dance. In Geography, we looked at the locations of different rainforests and identified them on a world map.

We love books at St Chad's! All this week we have been talking about loving reading, the joy of reading at bedtime (and how it is so much better for our sleep than a screen!) and sharing our favourite books. [#WorldBookDay](#) [#welovereadng](#)
