Sport Relief Friday and Forget Me Not Around The World - Friday 13 March

We would like to say a huge well done to all the children today for completing their sponsored mile for The Forget Me Not Hospice. It was lovely to see the children enjoying their walk in their sports clothes; all for such a wonderful cause. We would like to also say a huge thank you for all your support and donations towards this event. We don't yet have a total amount raised but we will keep you posted! Please see below for more information from the Forget Me Not Hospice:

Y5 Performance

A date for Y5 parent diaries: Please note that Y5 will be performing their production of 'Go for Gold' at 2pm on Thursday 2nd April. More details nearer the time.

Staffing Update

Y6 and Y4 are already aware that unfortunately Ms Togher in Y6 has a serious medical need which involves an operation this coming Wednesday. The recovery period will be prolonged and so we have needed to make some staffing changes with Mrs Smith taking Y6 until the SATS tests after Easter and an interim teacher, Ms Tomsett, working with Y4 for this period. I know that all parents will want to join with me in sending Ms Togher our best wishes.

My Child At School (MCAS)

Breakfast and After School Clubs should continue to be paid via **School Money** for now, we are hoping to switch this to the new system soon. Please make any payments as soon as possible. The office will be chasing payments to help the smooth transition to the new system.

Dinner Money and Future Trips will be payable via **My Child At School**.

If you are having difficulty with the system, contact the office by phone or e-mail,

This afternoon Y1 have been planting their own beans and identifying what a plant needs in order to survive. Over the next few weeks Y1 will be closely observing their bean to see if any changes occur. 🌱🌱 [Options](#)

Y3 - German food fest! We started the event with a German dance with Kinderpolka music. This involved lots of clapping and swapping of partners. The beautiful food on offer: hot dogs, BBQ ribs, chicken bites and a selection of wraps. What a way to end the day!

Y3 - We have started an investigation into if seeds need soil to grow. We discussed what a fair test is and how to make it a fair test. We added the same amount of seeds, the same amount of water and all will be kept in the same conditions. Day 1 below. We will update soon!

Great excitement in Y5 as we decide who is playing what part in our upcoming performance. It is a real team effort - so everyone has some lines to learn!
