

Online Classrooms

Two national platforms have launched to further support the home education of children across the country. Both are designed to complement the prepared learning we are sharing each week and is ideal for those families who are finding online content the best way to support and engage their children at home.

The Oak National Academy

Website: <https://www.thenational.academy>

Year groups: Reception – Year 6

Description: The sector-led Oak National Academy has today launched its online classroom and resource hub. The Academy offers 180 video lessons each week for schools to use, across a broad range of subjects. The lessons and resources cover children in Reception through to Year 6 and are designed to complement the existing teaching and planning shared with you each week.

BBC Learning Resources

Website: <https://www.bbc.co.uk/bitesize>

Year groups: Reception – Year 6

Description: The BBC has launched an education package across TV and online, featuring celebrities and teachers, helping to keep children learning at home and supporting parents. There are quizzes, videos, podcasts and articles uploaded to BBC Bitesize daily. This platform is also accessible via the BBC iPlayer, the red button, BBC Four and BBC Sounds.
