

Useful links

As well as the activities provided to you linked to books, there are lots of websites available that will help your child.

Maths

Website: <https://www.bbc.co.uk/cbeebies/shows/numberblocks>

Description: Number Blocks is an animation with loveable characters. The series has engaging storylines to gently introduce concepts of number to support early mathematical understanding. As well as watching the episode on BBC iPlayer, you can find lots of games on the link provided.

Website: <https://www.topmarks.co.uk/maths-games/3-5-years/counting>

Description: Topmarks has a range of games for children of different ages. The games available for reception-aged children focus mainly on counting and number recognition.

Phonics

Website: <https://www.phonicsplay.co.uk/>

Description: This website has a range of exciting games that you can play with your child to practise phonics with them. To have access to the whole site, you can login with the username 'March20' and the password 'home'.

Website: <https://home.oxfordowl.co.uk/>

Description: This website offers useful guides (including video guides) for parents and carers on how to support your child with reading, English and maths. A range of activities for children are available to develop their skills and knowledge in reading, English and maths.

Website: <https://www.bbc.co.uk/cbeebies/shows/alphablocks>

Description: Like Number Blocks, Alpha Blocks is a BBC series which you can watch with your child. You and your child will see the letters of the alphabet tell stories and make words using phonics. As well as watching the series on BBC iPlayer, you and your child can play the learning games and print colouring pages.
