STARS OF THE WEEK:

Reception - [Isabella M-G](#) for her excellent understanding of number bonds to 10 and her eagerness to find new ways to show 10.

Year 1 - [Megan C](#) for being a super role model in Year 1 and showing excellent understanding of measurement in Maths.

Year 2 - [Jemimah M](#) for taking such great care in the publishing of her non-chronological report.

Year 3 - [Ivy H](#) for working really hard to improve her Phonics and her amazing understanding of fractions.

Year 4 - [Heather E](#) for fantastic understanding, explanation and presentation in Science - Well done!

Year 5 - [Jack B](#) for a great newspaper report for his independent writing task.

Year 6 - [Tom M](#) for gaining in confidence and becoming more independent in his work across the curriculum.

Attendance

1st - Reception and Year 3	100%
3rd - Year 6	98.8%
4th - Year 5	98.7%
5th - Year 1	97.7%
6th - Year 2	97.2%
7th - Year 4	95.7%

Well Done Year 3 & Reception!

EVERYday
counts
attendance matters

PE Dates

Reception - Friday
Year 1 - Monday
Year 2 - Thursday
Year 3 - Friday
Year 4 - Wednesday
Year 5 - Monday
Year 6 - Tuesday

Please ensure pupils have their PE kits available at the Academy ready for their PE lesson. PE is a vital part of your child's education.

**NUMBOTS**Year 1 - Eleah B
Year 2 - Amber R
Year 3 - Ivy HYear 3 - Nicholas M
Year 4 - Archie R
Year 5 - Nancy R
Year 6 - Ethan W

Another amazing and busy week!

A group of pupils from Year 5 and Year 6 were invited to the **Principal's Picnic** this morning. We had a good talk about all things school.

They have come up with some great ideas for our outside reading area and are thinking about how to raise money too ... **we'll keep you updated.**

A really positive thing to note was, when they were asked for one word to sum up school, these were the responses: **fun, enjoyable, fantastic, decent, joyful and better!** ... we love that the children are clearly enjoying being at school and noticing all the positive changes that are being made.

It certainly feels like **Spring** is finally here, so have a wonderful weekend in the sun!

Mrs Dawson

Some wonderful news!

This week, Mrs Dawson received some wonderful news!

Back in February, Megan decided to cut her lovely long hair and after learning about children who sometimes lose their hair and wear wigs, she decided to donate it.

Not only did Megan do this, but she also raised £195 for the <https://www.littleprincesses.org.uk/>

We are so proud of you Megan!

Science Week

This week has been Science Week and we have had so much fun experimenting with Science! We won't tell you what we've been up to as you'll find out all about it next week at TASC's Science learning showcase! Join us on **Friday 25 March at 2:40** to see what we have been up to!

Red Nose Day

We have had so much fun today! Each class has taken part in a fun, interclass obstacle course as well as a mini quiz about **Red Nose Day**. The selection of red noses we have seen have been fantastic! **Well done everybody!**

Lost property

We have accumulated some lost property already this academic year. If you think your child has lost anything, please ask them to go to the Focus room to check for their belongings. Please ensure your child's name is written in all items of uniform so if an item is lost, it can be quickly returned to the right pupil. **Thanks.**

International Day of Maths

On Monday, we welcomed a **phenomenal** number of parents and carers into our classroom to see how we learn Maths. We were overwhelmed with the support and positive comments.

We asked parents to complete a questionnaire so they could feedback any questions they had about Maths in school.

Mrs Poole has spent some time going through these and has answered your questions.

An email has been sent out today - if you didn't get it, please let us know.
