What a wonderful first week!

This week we have had such a fantastic time at school following the Easter break.

Mrs Dawson, Mrs Farmer and Mrs Gilroy have been popping into lessons throughout the week and have enjoyed seeing what each class have been getting up to:

Reception have been using their fine motor skills to make bees with moveable wings.

Year 1 have been studying orangutans.

Year 2 took their 'Achieve' learning to the playground - which looked like lots of fun!

In KS2, Year 3 have been learning about using levers and linkages to add motion to products.

Year 4 have been getting passionate about how we can save the planet.

Year 5 have been learning to sew (patiently!)

Year 6 have been delving into their new book 'My Secret War Diary', which has already been a big hit!

At lunchtimes, we have enjoyed playing with our new playground equipment, dancing to the music and spending time with our friends. Wow! ... and it's only been four days!

We've topped the week off with the planning of our Trinity Earthshot Oak Tree.

We cannot wait to see what next week brings. Have a great weekend and we'll see you then!

Well Done Year 2

Trinity Earthshot

What a brilliant end to the week!

We have celebrated Earth Day with our official Trinity Earthshot Oak Tree planting celebration.

We invited Miranda Perry from **World Class Schools** to join us and get to know what Trinity Academy St Chad's is about.

Year 5 led a fantastic presentation all around the challenges our planet is facing which was thought-provoking and inspiring.

You may have heard us singing too?

It was wonderful!

Welcome!

National offer day for Children starting school in September 2022 was on 19 April.

A big, warm welcome to our new **Reception 2022/23** class!

The day has finally arrived and we can now say a big warm welcome to our new 2022/23 Reception class!

We have lots of activities and events planned in the run up to summer and can't wait to meet you all properly.
