## Exercise Books

To further track and celebrate the progress pupils have made throughout this year, we will keep the class exercise books in school for a little while longer. As always, we have lots of plans...

## A Big Thank you!

**To the pupils** of Trinity Academy St Chad's, I'd like to say thank you for your hard work, perseverance and smiles! You have been through some changes this year that have been a lot to get your head around - and, like the champions you are, you have done it and made me so proud. I have thoroughly enjoyed getting to know you this year; you are all incredible! At church yesterday, a parent said to me, '**Mrs Dawson, you have inherited some fabulous children - aren't they great?**' and I could not agree more. You are all absolutely fabulous and I cannot wait to see you reach for the stars (and beyond)!

**To the parents, carers and wider families**, I'd like to say thank you for your support. As a school, we are very lucky to have such an amazing wider team. 81 parents attended the Science Learning Showcase (before the renovations started!) and we were overwhelmed with the support. I am a firm believer that children learn best when there is a good partnership between school and home - we have this and I couldn't be more grateful.

I'd like to also thank all the **staff of Trinity Academy St Chad's** and I'm sure you would too, for their hard work and their commitment to your children. They should also be commended for their commitment to learning and education. They have shown real dedication throughout the year and we would not be here without them. I know that this will also continue next year so I hope they all manage to get a good rest during the holidays and recharge their batteries ready to work hard again, next year.

A whole school renovation is currently underway at Trinity Academy St Chad's and I am so excited. In the last few months, the pupils have moved to the hall, packed up their desks and have been very patient. Hopefully, most of the internal work will be completed during the summer but watch this space for the external areas. We have so many plans - it is very exciting! **Let's put TASC on the map!**

**To our Year 6 leavers - wow!** You have impressed us so much and we are really proud of you. Your end of year performance was so clever and it really showcased your talent - just **wow!** We wish you all the best at high school; we know you will go far! Always remember to aim high and follow your dreams. Continue to make us proud and remember to say hello when you are passing - we will probably see you before school on the park! **We will miss you lots!**

**FOSC** - thank you for everything you have done for us this year – your continued support is appreciated so much.

**Finally, another great big thank you to everybody from me.** I have been made to feel so welcome at St Chad's during this past 7 months. I am sure that you will agree that **Trinity Academy St Chad's** is an exciting place to be and I hope that you are all as excited for September as I am.

As our school anthem states: **"we're all in this together"** and I know that we will go far.

**Have a wonderful, safe summer and we will see you in September.**

Thank you,

**Mrs R Dawson.**
