## STARS OF THE WEEK:

**Reception - Minnie** for her excellent progress in phonics and absolute enthusiasm for stories this week. She has really enjoyed retelling stories in lots of different ways, including trying to write them! Well done!

**Year 1 - Isabella** for her enthusiasm and engagement in science lessons. She has loved learning all about invertebrates this term and has remembered lots of interesting facts about them!

**Year 2 - Emelia** for working so hard to produce a fantastic non-chronological report in our English lessons. Well done!

**Year 3 - Lienna** for always working hard to incorporate new vocabulary into her answers, both spoken and written.

**Year 4 - Henry** for superb non-chronological report skills in English, writing about the water cycle and using excellent, appropriate vocabulary when discussing issues around inclusion and equality.

**Year 5 - Joseph** for always creating work to the highest standard. Everything he is asked to do, he does amazingly and Miss Ahmed is always super proud to show off his work!

**Year 6 - Jacob** for always being polite and an excellent role model to others around school. For working hard in all areas of the curriculum and persevering when he finds new learning difficult. Well done!

## PE & Swimming

## Bearder Calderdale Poetry Grand Slam

On Wednesday evening, six pupils from our wonderful Year 6 class attended the Calderdale Poetry Grand Slam Final, which was hosted by the Bearder Trust.

Hosted by World Freestyle Rap Champion Rob Bradley, with a judging panel including poetry slam legend Spoz, accomplished poet, Matt Abbott, whose work has featured as National Poetry Day titles and local poetry legend, Nick Toczek, this was a brilliant event to be part of!

'The 6 Musketeers with 3 Mics' performed their own original piece of poetry on the Victoria Theatre stage in front of a large audience—they were very brave and were a credit to the school!

They looked super smart, performed confidently and with enthusiasm and made us all very proud!

The poetry theme was 'green' and they used their exceptional writing skills and creativity to craft their fantastic poem.

Please see the next page for their work.

Well done to George, Mikey, Harry, Milo, Frankie and Dylan!

## TASC ART GALLERY

## The TASC Art Gallery

What a fantastic night we had at the second TASC Art Gallery!

The School Choir opened the event with a wonderful rendition of 'Count On Me' by Bruno Mars and our School Council hosted our visitors telling them all about the artists we have been learning about!

Thank you all for coming!

You should have all received your **Parents' Evening** appointment for Monday or Tuesday—please contact the office if you need a reminder.

The **St Chad's Chronicle** will be available to buy (50p) during Week 1 of next term. If you would like to bring money in beforehand, we will order you a copy!

## Anti-Bullying Ambassador Shout Out!

Our Funday Friday shout outs go to:

**Georgia** - Year 4 - for playing nicely on the trim trail and leading by example.

**Faye and Emilie** - Year 5 - for helping the younger children with the bikes in the playground.

## Big Question

How do you celebrate Easter?

### Nature, Nature!

Monkeys climb, trees twisted and leaves dancing.

BANG!

The humans are here,  
Factories everywhere,  
The air is unclear.

### Nature, Nature!

The trees are gone; it's been way too long,  
The birds no longer sing nor the monkey's swing.

### Nature, Nature!

When the leaves were green, and the sky was blue and  
clean,  
Take it back time, back to when the soil was rich and fine,  
So, just look at the forest it used to be vast,  
But now we've cut it down to little,  
And if we don't act fast,  
It may be surprising, but we could be in the past,  
The sea is rising, the earth's getting hotter,  
Do you see it now?  
Why are we in this bother?  
If not, look around!  
See the changes;  
It seems like we can't trust familiar faces.

### Nature, Nature!

Where have you gone?  
The ice is melting.  
Soon there will be none.  
Polar bear's habitats are disappearing.  
Give it a second.  
The hunters are here, dancing and cheering.  
For they have their white, wool coats,  
They're taking their notes,  
For when they come again,  
They'll cross polar bears off with their pen.

### Nature, Nature!

I remember when leaves crunched beneath my feet ,  
Roads and towns, now it's just concrete.  
Look down at the streets,  
And listen to the sounds,  
\*\*\* Sounds \*\*\*  
Don't you remember when the leaves on the trees rustled?  
The birds chirped.  
Panthers emerged from the trees.  
And the harmony of the honeybees,  
Flowers fragrant smell,  
The salty seaside, where you could find a shell,  
The world has changed.  
The days have begun to come without rain.

### Nature, Nature

Do you think it's nice?  
Day by day,  
Parts of the ice fade away.  
It may seem hopeless but we can still aim to make our air smokeless,  
If we can finally clean up our mess,  
Then we can achieve our incomplete success,  
So work together,  
Work as a team.  
So we can finally redeem ourselves or we may be knocked off the galaxy  
shelves.

## TRAIN TO TEACH

We offer full time and part time PGCE/QTS teacher training courses in both primary and secondary education. We are based in Calderdale but offer placement schools across West Yorkshire.
