Welcome back!

What a fantastic first week back we have had! It has been a joy to witness everybody settling back in to school, enjoying time with their new classes and eager to learn new things.

A special shout-out to our new Reception cohort who have completed their very first week at primary school! It's like they have always been here and we feel very lucky to have them here at TASC.

Eco- Schools Green Flag Award

Wonderful news!

Trinity Academy St Chad's have been awarded the Green Flag Award with **Distinction!**

A huge congratulations to all involved, particularly our Earthshot Eco-Committee!

Ofsted report

We are delighted to share the results of our recent Ofsted inspection from July 2023.

We are proud to announce that our school has been awarded a **"Good"** rating with **outstanding features**. This is the highest grading the school has ever received and we couldn't be more proud.

This glowing report reflects the unwavering dedication and hard work of our pupils, staff, and the entire school community. Ofsted recognised the excellent quality of teaching, the remarkable progress made by our pupils, and the exceptional support provided to learners of all abilities.

It was hard to choose, but here are some of our favourite phrases from the report:

- ...Pupils' behaviour at all times is exceptional...
- ...Pupils at Trinity Academy St Chad's are confident, articulate and welcoming...
- ...Pupils thrive...
- ...Leaders are highly ambitious that every pupil should succeed...
- ...Lessons are engaging...
- ...Leaders' ambitions are not confined to the pupils...
- ...describing the school as 'amazing'...

We remain committed to providing an exceptional educational experience and look forward to building on this success in the future. Please do take the time to read our report which can be found on our school website.

Thank you to everyone who has contributed to our continued growth and excellence.

Watch this space!

From next week, this space will be dedicated to our Earthshot Eco-Committee who will be giving you updates about what they have been up to in school! Including what Year 1 and 2 have been learning about in their new forest school session! We can't wait!
