## Stranger Danger

We have been made aware of two incidents within West Yorkshire (one local to our area) about strangers trying to speak to children as they are walking home from school.

The following information is advice from the police regarding Stranger Danger. We will share this in school but would welcome you taking the time to discuss this with your children too.

### **STRANGER DANGER PREVENTION ADVICE**

Here are some simple steps you can take to make sure you stay safe on the street.

- Never go off on your own with a stranger, take things from them or get in a car with them
- Never approach a stranger sitting in a car
- Make sure you tell your parents where you are at all times
- Be alert to your surroundings
- Don't believe what strangers tell you - sometimes they will say things to make you go with them
- If someone scares you, or makes you feel uncomfortable, go somewhere safe, which could be your home, your school or a police station
- If someone tries to grab you, shout loudly to get attention
- Always play where your parents can see you
- Do not answer the front door at home unless your mum or dad are there with you
- Never tell a stranger your name or address
- Do not make friends online with people you have never met and are friends with in real life (IRL) - they are strangers too
- If you are in Year 5 or 6 and walk home alone, phone your parents to tell them you have left school and then go straight home

## School photos

Polite reminder– following the school photos last week, you have 14 days to order copies of the photos online. Thank you.

## Earthshot Eco-Committee Update:

Another plea from Ms Gravestock and the Earthshot team!

Please can you collect **pine cones** for a very special project and bring them into school?
